Faith in God is the undercurrent of Dr. Hoang Drouin’s practice. So much so that he wrote scripture on the walls during construction of his office to always remind him of whom he ultimately serves. In a culture of “bigger is better,” where mega dental practices are in vogue, Dr. Drouin and his wife Chris have built a superior practice with a mom and pop feel.

Patients receive personalized care throughout their experience and take notice when treatment far surpasses their expectations, like the after-hours calls following a procedure to check on them. Making purposeful decisions, Dr. Drouin and Chris press on against the norm. “As a result, we have an amazing practice filled with amazing people—both our patients and our team,” Dr. Drouin says.

We are committed to treating each person with compassion and excellence while restoring hope, health, and beautiful smiles.

Dr. Drouin and Chris, who has worked alongside her husband as the practice

manager since the inception of their business, say they are proud to celebrate 20 years of service to the Lake Norman area and praise God for the opportunity and His guidance along the way.

When asked about their secret to such a lasting partnership, Chris says, “We contribute much of our success to the balance we have found in our lives by committing to God, each other, our family, and the community we serve—in that order!”

Voted again by his peers as a Top Dentist in Charlotte magazine, Dr. Drouin is blessed with exceptional clinical skills, earning the highest academic award from the Academy of General Dentistry (Mastership). Patients seek Dr. Drouin’s expertise, which includes skillfully performing complex full mouth restorations as well as providing family preventive care. Patients are drawn to Dr. Drouin’s personable, lighthearted nature and contagious laughter. His enthusiasm for what he does is evident.
